1. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. Horsepower may vary depending on accessories added to vehicle. (240 net combined horsepower for NX 350h. 304 net combined horsepower for NX 450h+.) 2. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. 3. Limited availability. 4. Cloudburst Gray, Copper Crest, Eminent White Pearl, Ultrasonic Blue Mica 2.0 and Ultra White available for an additional charge. 5. Lexus Interface Services depend on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface>. For Lexus Interface Services' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). For Safety Connect, stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas-engine vehicle in an enclosed space or if vehicle is occupied by a child). Drive Connect service not available in every city or roadway. For Service Connect, information provided is based on the last time data was collected from vehicle and is not real-time data. Wi-Fi Connect service not available everywhere or in every vehicle. Valid in contiguous U.S. and Alaska. Up to 5 devices supported. Integrated Streaming requires subscription for third-party provider services. Wi-Fi Connect trial (if applicable) begins at time of enrollment and expires the earlier of: 3GB of data is used or 30 days after enrollment. 6. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 7. Digital Key requires active Remote Connect trial or subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas-engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Digital Key also requires Bluetooth connectivity. Remote Connect is included with select paid Connected Services packages. See your Lexus dealer for details. Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface> for additional details. To learn about Lexus Interface's connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 8. To wirelessly use Apple CarPlay on your car display, you need a compatible Apple smartphone with an active data plan. You can check which smartphones are compatible at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://lexusconnectedtechnologysupport.com/lexus/home>. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Apple CarPlay is a registered trademark of Apple Inc. 9. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://lexusconnectedtechnologysupport.com/lexus/home>. To learn more about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. 10. Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings during use. Before operating, review Owner's Manual for instructions and limitations. 11. Mark Levinson and Clari-Fi are registered trademarks of Harman International Industries, Inc. 12. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian, bicyclist or motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian, bicyclist or motorcyclist, and weather, light and road conditions. See Owner's Manual for limitations. 13. Intersection Support is designed to detect a pedestrian or approaching vehicle at intersections under certain conditions, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. See Owner's Manual for limitations. 14. Intelligent High Beams operate at speeds above approximately 21 mph. Minimum speeds may vary by model. See Owner's Manual for limitations. 15. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. 16. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. 17. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. 18. Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. 19. Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. 20. Lexus Safety System+ effectiveness depends on many factors including road, weather and vehicle conditions. Drivers responsible for paying attention to their surroundings and driving safely. See Owner's Manual for limitations. 21. Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. 22. Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. 23. Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. 24. Enhanced Roadside Assistance requires a Safety Connect trial or subscription. Depends on factors outside of Lexus' control including 4G network availability, cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and is subject to change at any time. See your Lexus dealer for details and exclusions. 25. Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. See Warranty and Services Guide for details. For Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. 26. See Lexus dealer for details. 27. For Lexus hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, hybrid (HV) battery covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See Warranty and Services Guide for details. 28. Service Connect depends on certain factors outside of Lexus' control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real-time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface>. For Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. The Service Connect trial is included for up to 10 years. 4G network dependent. 29. Subject to loaner vehicle availability. See your Lexus dealer. 30. Safety Connect depends on factors outside of Lexus' control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface>. For Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. A Safety Connect trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Lexus dealer for details. 4G network dependent. 31. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 32. Projected EPA-estimated MPG ratings as determined by

2025 NX Specifications

manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 33. Never tow beyond a vehicle's published towing capacities. 34. Projected EPA-estimated 84 comb MPGe rating for 2025 Lexus NX 450h+ as determined by manufacturer. MPGe is the EPA equivalent of gasoline fuel efficiency for electric operation. Projected EPA-estimated 36 combined gas-only MPG as determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your MPGe/MPG will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 35. Manufacturer's est. all-electric driving 37-mile range rating for 2025 Lexus NX 450h+ using EPA's preliminary testing procedure standards on a full charge. Operates at speeds up to 84 mph. For comparison purposes only. Mileage will vary for many reasons, including vehicle's condition and how/where you drive. Battery capacity also decreases with time and use which will reduce range. See www.fueleconomy.gov. 36. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 37. HomeLink and HomeLink® house icon are registered trademarks of Gentex Corporation. 38. Intuitive Parking Assist may warn drivers of, and potentially brake for, collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for limitations. 39. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 40. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. 41. EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. 42. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See Owner's Manual for limitations. 43. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations.
